

DATING DO'S: KELLY'S VERSION

1. Choose the best photos, in natural light, for your profile.
2. If taking new pics, make sure the camera lens on your phone is clean!
3. Build out your bio to attract your type.
4. Ditch the generic opening line for something relevant to their bio.
5. Put in the work - a date won't fall from the sky.
6. Lock in a first date as soon as you're comfortable.
7. Prioritise your safety at every moment of dating.
8. Strategise your date ideas so that the vibe is right.
